Seller Item is 100% described as shown in photo. Shipment arrived exactly on estimated time and date. Packaged really well in a small brown envelope with a receipt in it. The price is reasonable and the item is in a great condition. I highly recommend this seller and will buy from again.

Arrived on time, but was a long wait for the price. Was well packaged, and as described. Seller has lovely selection of these but for the prices, postage price and the long wait, the postage should be free.
